

HAVE YOU HEARD OF THE MARRIAGE BLESSING CEREMONY?

It is a totally new initiative by Rev. and Mrs. Moon, who are establishing the standard of True Parents by working beyond races and religions to unite all people into God's family. The Marriage Blessing is a cleansing of past mistakes and an opportunity to make a new commitment in marriage as a blessed family. It starts with the Holy Wine Ceremony.

WHAT IS THE HOLY WINE?

The Holy Wine is made up of 21 ingredients representing all things. It has ingredients that symbolize the love of parents, the earth, the seas, and heaven. The Holy Wine contains all the essential elements that stand for purity.

More importantly, we are able to receive this because of the victorious foundation of peace made by True Parents. This makes it possible for humankind to cut off from the original and ancestral sins. By drinking the Holy Wine, we are reborn spiritually and physically.

WHAT IS THE SIGNIFICANCE OF THE HOLY WINE CEREMONY?

- To understand the Holy Wine in the context of history, the condition to become the first Israel is circumcision, and the condition to become the second Israel is baptism. The condition to become the third Israel is the Holy Wine Ceremony.
- The original ancestors, who we refer to as Adam and Eve, were supposed to become husband and wife with God's love in their hearts, but the order of love was reversed, and they consummated their marriage with selfish love. The Holy Wine Ceremony restores the order of love to its original state.
- Adam and Eve's mistake was passed down to us through the blood lineage. This ceremony signifies a rebirth that reverses that mistake. The woman goes through a process of being restored first, then she gives birth to the man. Together, husband and wife are engrafted onto the original blood lineage of God.

40-DAY REDEDICATION

Your couple can now make a totally new start. You have received a Blessing and forgiveness of sin. In order to start this new chapter in your life, we invite you to participate in a 40-Day Rededication of your marriage.

During this period of 40-Days, you will not have sex. Instead, you will re-learn how love each other as God's children. You can use this time to meditate and pray how to bring God deeper into your own heart as God's son and daughter. We encourage you to keep a journal if you like, and keep track of any reflections or experiences that you experience. After 40-days you will come back together again as husband and wife to (re)consummate your marriage with this new blessing. Would you like that?

3-DAY CEREMONY

After completion of the 40-Day Rededication period, you will come back together as husband and wife through the 3-Day Ceremony. This is a precious experience in which you completely eradicate any residue of fallen, selfish love, and re-position your relationship with the Heavenly Parent, as God's true son and daughter, and with each other as true husband and wife.

Couples must time their 3-Day Ceremony so as not to conceive, they may need to wait a few extra days before starting this ceremony. Please read instructions on how to conduct the 3-Day Ceremony.
